

National Orthodox Baby Shower

Did you know that pregnancy resource centers across the country provide free consultations, medical services, and material resources to help women in crisis pregnancies? Our parish is joining with Orthodox parishes across the country to hold a “baby shower” to support mothers who choose life for their unborn children! Join us in collecting supplies to be donated to New Life Options in Monongahela, our local pregnancy resource center. Babies use an average of 2,500 - 3,000 diapers in the first year of life. That’s a lot of diapers!

New Life Options has provided us with a list of needs:

Wipes	Baby Wash	Shampoo (unscented)
Diaper Cream	Diapers -Newborn, 4 & 5	Hooded baby towels, wash cloth
Crib sheets	Pacifiers	Nail clippers
Teething rings	Nasal aspirated	Comb/brush set
Sippy cups	Seasonal clothing (new)	Boys needed most
Gently used clothing-babies & children's		

If interested in participating, we will be collecting the much needed items through **Saturday, May 25th**. Deacon David Rostcheck will pick up the collected items and deliver to New Life Options on our behalf.
